DISC GOLF COURSE

First time playing disc golf?

Try the Aceplace Disc Golf Course. Shorter holes, more fun, and a great primer for the "big" course.

HOW TO PLAY DISC GOLF

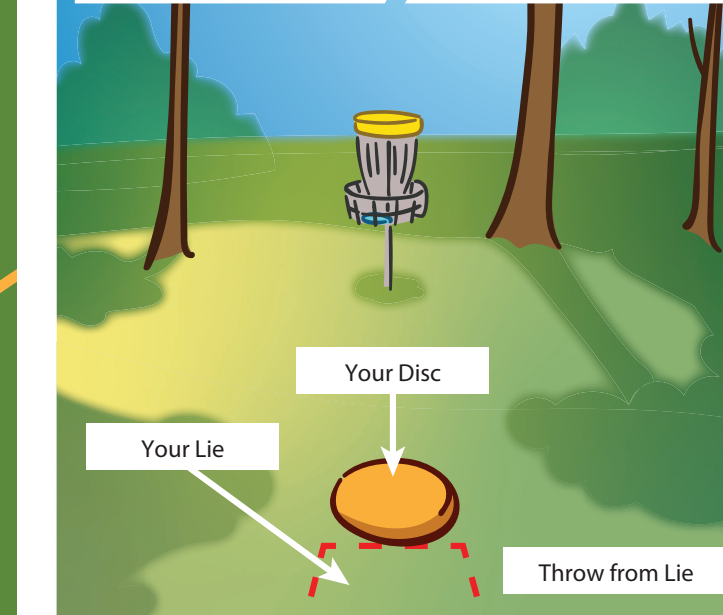

Starting at the tee, throw towards the basket.

Do not throw if players or animals are in front of you.

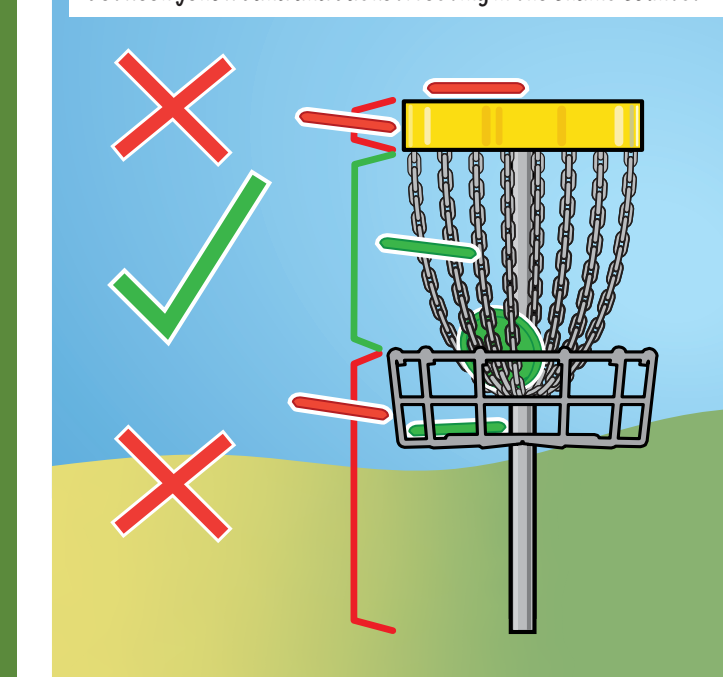

The spot your disc lands is your "lie". Throw from your lie.

Courtesy: the person farthest away from the target throws first.

Finish each hole by throwing the disc in the basket, entering between yellow band and basket, resting in the chains count!
